Quadmesters 3 & 4 Swap

Dear Parents, Carers and Guardians

When we come back on Monday 19th February after half term, we will be at the start of Quadmester 3. Normally the start of a new quadmester means a swap between Food Technology and Computer Science but next Quadmester the groupings will remain the same as now.

Year 7 will continue to do Computer Science/DT on a Thursday morning

Year 8 will continue to do Computer Science/DT on a Wednesday morning

Year 9 will continue to do Food Technology/DT on a Tuesday morning

Then in Quadmester 4, which starts on Tuesday 7th May, the groups will swap over. Year 7 & 8 will then be doing Food Technology and the Year 9s will do Computer Science. The students therefore will still have half a year of each subject but just in a slightly different order.

If you have any concerns or queries about this, please do not hesitate to contact me on emilybanfield@fiveislands.org.

Yours faithfully

Emily Banfield

Assistant Head: Achievement & Standards
