CGP Revision Guides Order

Dear Parents, Carers and Guardians

At our Preparing for GCSEs Parent Information Evening, we showcased a range of different revision guides so that you could browse and see if you would like to buy any for your child - and I promised to share an order form so that you could make these orders through the school if you choose.

Please click on the Google Form link below and tick any Revision Guides that you would like us to purchase on your child's behalf. We will then order these and payments will be set up on Arbor. This is an FIA offer to support parents financially as the price to schools for these books is nearly half the market cost.

[Google Order Form Link](#)

For all your children's revision, Five Islands Academy has already purchased or created a wide range of revision resources (as shown on your children's Preparing for Summer Exams guide and on Firefly). These include GCSEPod video tutorials for every subject, past papers and Firefly lessons, Quizlet sets and Maths and Science-specific revision apps. Furthermore, in DT, Geography and PE, students have already been given revision books to work through, to support the class teaching.

Revision guides are not therefore necessary - but some of your children may find having books at home a useful addition to their FIA resources. Please look through this list with the children and tick any books you would like us to buy by Wednesday 29th January 2025.

Yours faithfully

Rachel Lewin
Deputy Headteacher
