Mock Exams Timetable

Dear Parents, Carers and Guardians

The first round of mock exams for Year 11s will start on w/c 18th and 25th November. The timetable below shows all the exams that are scheduled. Please note that there is a maximum of two exams per day for any student and that students have received a physical copy of the timetable and a digital copy on Firefly.

During the mock weeks the exams will be held in the Performance Hall and additional rooms for those with 1:1 support or access arrangements. When students are not in their mock exams they will be expected to go to their normal timetabled lessons. It may be that lunchtimes are slightly different during this time to accommodate an earlier start in the afternoons.

Following these mocks the Year 11 students will receive feedback and grades in each subject area and clear guidance on next steps.

If you have any queries around this please contact me on 01720424864 or email me on emilybanfield@fiveislands.org.

Yours faithfully,

Mrs Emily Banfield
Assistant Head: Achievement and Standards
Head of Maths
