### **Options Booklet 2027 Cohort**

Dear Parents, Carers and Guardians

The Options Booklet for the 2027 cohort has just been published on our website (link [here](#)) in advance of our Options evening next week. This outlines the optional KS4 courses on offer for this year's Year 9 group and details on the core subjects taken by students. Please note, not every subject will necessarily run, as always it will depend on numbers and capacity.

For the Options' evening sessions next week, further information regarding the specific timings for subjects and a Teams link will be shared at the start of next week. A Google Form will be released as well which students can complete once they have a provisional idea of their subject choices for KS4. We can then look at these and derive options blocks before a final selection process is undergone to allocate groups.

Yours faithfully

Mrs Emily Banfield  
Assistant Head: Achievement & Standards

*All aboard! Navigating together*
