RJ Working Student Voice Consultation

Dear Parents,

On Thursday 5 June, partner organisation RJ Working team members Becky and Maya will be visiting the school with their team's filmmaker, Phil. They are making a film with students from Camborne, Penzance and the Isles of Scilly.

The filmmakers will be exploring circle questions about key aspects of children's experiences and opinions, specifically how children and young people are affected in the Isles of Scilly and across the country when they don't have enough money - this could be views, ideas, observations, or experiences.

The film will not show students' individual faces; they will record creative activities in response to the circle questions which will be asked by Becky and Maya. The visual record and focus will be on students' hands making e.g. plasticine people and writing key words; there will be a recording of voices too. The resulting film will be shared with Public Health services in Cornwall and the Isles of Scilly.

Students will be invited to volunteer to participate in a group of around 10 students - Becky and Maya will be talking with three or four groups during the school day. If you have any concerns about your child potentially taking part in this consultation, please contact rachellewin@fiveislands.org.

Yours faithfully

Rachel Lewin
Deputy Headteacher
