Year 7 Food Technology

Dear Parents and Carers

We are writing to inform you of a slight change to your Year 7 child's curriculum for this first quadmester of the year. During the year, the students study Design Technology, Computing and Food Technology on a carousel timetable, to ensure that they all have access to a broad and balanced technology offer.

For staffing reasons, from this Friday, Year 7 will not be studying DT this quadmester, but will have Computing and Food Technology on alternate Fridays. Please see your child's timetable on [Arbor](#) or [Firefly](#). For their first Food Technology theory lessons today and next week, no ingredients are needed; Mrs Scott will contact parents with more information about ingredients for practical lessons for future lessons. Design Technology will be resumed later in the year.

Yours faithfully

Emily Banfield
Senior Assistant Head: Achievement & Standards

All aboard! Navigating together
