Early Mocks - Maths, Science & French w/c 9th February 2026

Dear Parents and Carers

We are planning to bring the first week of the mocks forward to w/c 9th February so that for Maths, Science and French we have time to adjust the Tiers of entry before the first deadline of Saturday 21st February.

This staggering of exams either side of half term will allow students to not be under so much pressure.

The week commencing 9th February is our Project Week for Years 7 to 10. For Year 11, we are timetabling a schedule of exams and subject revision workshop as follows:

Monday - Maths Paper 1 & Science Paper 1

Tuesday - Maths Paper 2 & Science Paper 2

Wednesday - French exams or DT/Music/Child Development workshops; option subject workshops

Thursday - Maths Paper 3 & Science Paper 3

Friday - Option subjects workshops

During the week following half term there will be RS and English subject revision workshops and the remainder of the mock exams.

The full timetables will be confirmed closer to the time; we just wanted to ensure that you and the children had advance notice of these earlier exams.

Yours faithfully

Mrs Emily Banfield

Senior Assistant Head: Achievement & Standards

All aboard! Navigating together
