Mocks and Final Examination Timetable

Dear Parents and Carers

All of the mock exams and final GCSE examinations have been input into Arbor. These are now live for you to view at home. These should all be bespoke to your child and should show just the exams they are sitting. They should also show the timings including extra time for those students who get this access arrangement. Rooming details are also included so your child should be able to see for the mocks where each exam will take place.

Please follow the instructions below for how to access your child's exam timetables.

- Login to your Arbor App or Arbor Portal
- Click the **View Student Profile** button and select **Examinations** from the left-hand menu.

Here you can view and download your child's:

- **Statement of Results** after the exams (if the embargo date has passed and we have shared the results)
- **Statement of Entry** (once examination entries have been confirmed)
- **Exam timetable** for the current year
